BECKER WOODFINISHES

Wooster Alpha Semi-Oval Brushes

- Alpha Semi-Oval brushes carry more paint, with withtoday's fast drying paints this allows for less dipping and faster coverage.
- Thin filaments with a soft tip deliver minimal brush marks, full blocking in, yet still great for cutting-in.
- Get's job done quicker than comparable brushes.
- Brushes stay in shape and are easy to clean.
- Ideal for all paints, particularly good for today's water based paints.
- Ideal applications for this brush:

Hand Painted Kitchens

Hand painted furniture

8-panel and flat panel doors, with Varnish, water based or oil paints

Work Tops

Cutting in of walls and ceilings
